## Monitro Gofal Bugeiliol a Chynnydd

- Dyrennir tiwtor personol i bob dysgwr am arweiniad a chymorth - a byddwch yn cwrdd â hwy mewn sesiwn tiwtorial ymroddedig bob wythnos.
- Mae gan y Coleg system olrhain a monitro fewnol gynhwysfawr i gefnogi dilyniant a chyrhaeddiad dysgwyr.
- Defnyddir y system e-Drac gan diwtoriaid personol a pwnc i osod targedau, monitro cynnydd a chreu cynlluniau gweithredu unigol ar gyfer dysgwyr.
- Yn ogystal, mae adroddiadau ffurfiol i rieni a nosweithiau rhieni yn ystod y flwyddyn, i drafod cynnydd gyda thiwtoriaid pwnc a phersonol.

## Pastoral care and monitoring progress

- All learners are allocated a personal tutor for guidance and support - and meet with them in a dedicated tutorial session each week.
- The college has a comprehensive in-house tracking and monitoring system to support learner progression and attainment.
- The e-Drac system is used by personal and subject tutors to set targets, monitor progress and create individual action plans for learners.
- Reports and parents evenings are held to give parents an opportunity to discuss progress with subject and personal tutors.
