

A-levels

ENTRY CRITERIA

The minimum entry criteria to study A-levels is **6 GCSEs at grade C or above including Mathematics and English Language/Welsh First Language**. Note individual A-level subjects may have higher entry criteria.

SUPPORT

Learner Services

Students can get support at any time from the Learner Services and Wellbeing team based next to reception.

Personal Tutors

All students will be allocated a Personal Tutor to support them in their studies and next steps after college.

Student Voice

Students are encouraged to feedback and participate in continuing to improve the college's provision.

Technology and IT support

All classes have access to state of art technology such as laptops and large touch sensitive screens. Chromebooks can also be borrowed from the Library if needed to support you in your studies.
