Job purpose	
The Construction and Engineering Department at Coleg Meirion-Dwyfor is a forward-thinking department offering courses across a range of disciplines. Teaching and learning take place using industry-standard equipment and in modern facilities. Within the department, we have two sites: Hafan (Pwllheli) and CaMDA (Dolgellau), both of which deliver Engineering qualifications. We are seeking a part-time member of staff to join the Engineering side of the department; and we are ready to employ an enthusiastic and motivated individual with experience in areas related to engineering, such as Health and Safety, Preparing and Using Lathes for Turning Operations, Producing Sheet Metal Components and Assemblies, Welding and general engineering, and to upskill them within the College. At present, we have excellent lecturers in mechanical engineering, manufacturing engineering, machining and welding, and we are looking for a member of staff who will complement this. The successful candidate will be expected to deliver high standards of teaching and learning and to provide ongoing support, advice and guidance to learners that promote success. We would like to work with you to develop your skills to provide the best possible experience for learners, and to help move the department forward. Key expectations of the role: 1. To provide high quality teaching, to create effective opportunities for learning and to enable all learners to achieve to the best of their ability. 2. Provide excellent extracurricular experiences for our learners. 3. Maintain the high standards of the provision with the support given to the learners. 4.
