

16+ TRAVEL TICKET

Information for school and college learners who will be following a 16+ education course in Gwynedd in September 2018.

Gwynedd Council have adopted a new transport policy for all learners aged 16+. Those who wish to take advantage of college/school transport will have to pay towards transport costs to their school or college - **£300 per annum (Term 1 - £120, Term 2 - £120, Term 3 - £60).**

16+ Travel Tickets can be purchased after you register at the college in September 2018. **You will be able to travel without showing your 16+ Travel Ticket until Friday 21 September, 2018 but after this date you must show your ticket daily or you will have to pay for individual journeys to school /college (If the learner is travelling on a designated school / college bus the option to pay daily does not apply) .**

To travel on a designated school / college bus a 16+ Travel Ticket must be purchased.

⇒ **No Ticket - No Travel!**

To travel on public transport, it is possible to travel by:

- 16+ Travel Ticket – at a cost of £120 for term 1, £120 for term 2, £60 for term 3 (terms and conditions apply – it is important to check the journeys available before ordering a ticket)
- My Travel Pass – a free pass available from Welsh Government which gives a discount of 1/3 off normal ticket prices and is valid 7 days a week / 24 hours a day.
- Paying for each individual journey

The above charges must be paid if **all** of the following apply:

- Learners are in 16+ education in September 2018
- Learners reside and study in Gwynedd (including Coleg Menai Llangefni site)
- Learners use specific transport routes to reach a college / school

Special transport will still be available for the same charge **for learners who have disabilities or special educational needs** that makes it difficult for them to travel on public transport.

Transport will be available on specific routes - the ticket does not entitle you to travel on every public transport bus in Gwynedd. The exact routes available are listed on the Council's Website – 16+ Transport Network.
